

Compost Manufacturing Alliance-(PSA 1)- Profile submittal addendum related to fluorinated chemicals

Manufacturer Name	
Manufacturer Address	
Line Item/SKUs represented by this addendum	

Recent legislation passed to ban certain fluorinated chemicals in foodservice packaging requires CMA and its member facilities to identify products containing per- and poly-fluoroalkyl substances (PFAS, sometimes referred to as PFCs). Related to this, the following questions must be answered regarding products you are submitting for consideration at CMA facilities to:

- 1) Assist us in identifying products with the potential to contain these chemicals
- 2) Identify products subject to exclusion from recertification, review, or field testing by CMA effective January 1, 2020

Required Information for CMA submittals related to fluorinated chemicals in products effective Jan 1, 2019.	
1) Do/does your product(s) contain total fluorine > 100 ppm?	Yes, > 100 ppm No, < 100 ppm
2) What is/are the level(s) of total fluorine in your products?	Range: ppm to ppm
3) What laboratory method was used to determine fluorine levels?	
4) Please attach laboratory report, or provide results to CMA within 90 days of the signature date below. LABORATORY REPORT MUST BE PROVIDED FOR CMA ACCEPTANCE	Check if analytical is attached Check if analytical will be provided within 90 days of signature date below
5) Is fluorine intentionally added to your product(s)?	Yes No
6) PFAS are commonly used in/as lubricants and mold release agents. Have you checked to ensure PFAS are not being used in or on equipment to manufacture your products?	Yes, I confirm PFAS are not used in the production process. No, I cannot confirm PFAS are not used in the production process.
7) Are you working on alternatives in your products that may contain > 100ppm total fluorine?	Yes No
8) If you are working on alternatives, how are you assessing them for hazards? (If needed, add comments on next page).	
9) If yes, what is the intended timeline for alternative items to be available or developed?	

Acknowledgement that all information is correct and complete by submitter.
